PROFESSIONAL SUMMARY

BSc Information Technology graduate with hands-on experience developing responsive and scalable web applications using React.js, JavaScript, Node.js, and Firebase. Skilled in building full-stack projects, integrating REST APIs, and creating intuitive user interfaces with a focus on performance and user experience. Eager to contribute as a Frontend or Software Developer while continuously learning and delivering high-quality solutions.

TECHNICAL SKILLS

Frontend & UI:	React.js, React Hooks, HTML5, CSS3, Responsive Design, Flexbox, CSS Grid
Backend & Data:	Node.js, Firebase Firestore, REST APIs, JSON
Languages:	JavaScript (ES6+), Python
Tools:	Git, GitHub, npm, VS Code

PROJECTS

AuraTrack - Mental Health Tracker

React.js, Node.js, Firebase

- Built a full-stack mental health tracker featuring secure authentication, mood analytics, and interactive journaling.
- Integrated Firebase Authentication, Firestore, and AI-based mood detection to deliver personalized, real-time insights.
- Designed a highly responsive React UI utilizing reusable components and modern state management.

PlayVerse

React.js, JavaScript

- Developed a browser-based platform for interactive multiplayer games with seamless user navigation.
- Engineered a responsive UI with scalable, reusable components, optimizing performance across desktop and mobile.
- Live Demo: <https://playverse-eta.vercel.app/>

DevDash

React.js, JavaScript, AI

- Built a developer productivity dashboard featuring GitHub profile analytics, weather updates, digital clock, calendar, Pomodoro timer, notes, and task management.
- Integrated external APIs to display real-time GitHub statistics and weather information.
- Live Demo: <https://ichigoxbankai.github.io/devdash/>

Monster Energy Website

React.js, GitHub API

- Developed a responsive, modern landing page inspired by the Monster Energy brand with smooth animations and visually engaging UI.
- Implemented interactive sections, responsive navigation, and optimized loading for a seamless user experience.
- Live Demo: <https://monster-energy-website.vercel.app/>

EDUCATION

B.Sc. Information Technology

2023 - 2026

Anna Leela College of Commerce & Economics | CGPA: 9.50/10

ACHIEVEMENTS & LEADERSHIP

- Academic Excellence:** Ranked among the top performers in the BSc IT program with a consistently high CGPA of 9.50.
- Leadership:** Event Sub-Head for the Arena of Aces (BGMI Tournament) at TantraUtsav, managing event structure, regulations, and promotional graphics.
- Engagement:** Actively participated in various technical workshops
